WE COME

Some of us came from Alondra, others from Clearwater, and some from other districts and even states; but we all came together here at Paramount High School, the home of the Pirates.

We spend a short four years here with friends, activities and teachers, learning many things about each other's life styles. We strive for unity even though we are all very different in upbringing, customs and attitudes. Here we grow in knowledge and perspective.

Some will go on to state universities or city colleges; others will go straight into an occupation to support their families.

As we go our separate directions, we will remember the special times we had together here at Paramount High School.

AND GO IN ALL DIRECTIONS

1. Here is a peaceful scene on Long Beach Harbor. A few of our students go sailing here during the summer.
2. Our country's flag waves proudly in front of our school's administration building.
3. Many students like to eat lunch out in this quiet and peaceful area in front of our school.
4. Our 1979 yearbook staff leads the way into the Jolly Roger.

1. During snack, we come to the rally court, which is our favorite gathering place. We not only eat but we catch up on homework and visit with our friends.
2. Many of us head for the hills on summer vacation. Backpacking, fishing, and hiking are some of our favorite activities.
3. The foyer of the administration building features the trophies earned by the students of this school.
4. The skull and crossbones are one of the many insignias of the Pirates.
5. Everyone participates in the singing of the Alma Mater.
6. The pep-rallies captivate many students. This includes class competition and the spirit and the yell.

1. Allan Korbe is hard at work in Senior Homemaking. He is preparing a sewing project for his quarter grade.
2. Sophomores listen intently while Mrs. Jennieve James explains the flashback device used in *Lost Horizon*.
3. Cindy Rose is cooking an initiation dinner for Corsaires. This is a tradition for all new members.
4. Mrs. Mary Lash is supervising food preparation in homemaking, which prepares the students to be self-sufficient.
5. Mrs. Celeste DeCourdes looks on as her art students work on a project.

Our Futures Are in Mind

The courses offered this year at Paramount High were clearly oriented toward the students' futures. They ranged from college preparatory classes like advanced English and science to basic fundamentals for living as taught in homemaking.

The different departments, attempting to give students a better chance to get into college, also provided learning material to help students to score better on the Scholastic Aptitude Test.

PHS is striving to prepare its students to face the challenges awaiting them.

Sports of All Sorts

Athletics are the most popular activity of the school; whether we're participating or just spectating, we show our enthusiasm.

Most of our teams have done very well in the Suburban League because of the teams' hard work, our support, spirit and encouragement.

We have grown in our spirit and our pride; this is the reason our teams have increased their skills and standings in our league. We all hope our teams will move on to C.I.F. championships.

1. Coach Tom Davies is giving instructions to the varsity football players.
2. Ramona Huerta is hitting a forehand against her opponent. Ramona plays doubles on the varsity tennis team.
3. Bryan Penn runs for the varsity cross country team. The distance from start to finish is three miles.
4. Varsity football players are in a huddle. Our team was picked first in league standings.

1. Many of our students go to the beach during the summer. We may even go as far as the Black Sand Beach in Hawaii.
2. Some students like to sit around the new tables in the rally court and visit with their friends.
3. The beautiful Bonaventure is the site for the Senior Prom. One of the most exciting events in a senior's year is the prom.
4. Seniors Bret Raineri, Tom Keyburn, Al DeLeeuw and Mark Harris discuss matters during snack. The Senior Square is a popular place to go for friends to talk or to just sit and watch their fellow students.
5. The "P" on the gym is a campus landmark.

We're Socially Active

The Senior Prom, field trips, talking at lunch and after school—these are just a few of the social events that we engage in. These areas are important for us to participate in as they initiate togetherness and friendships. They also prepare us for social events that will take place later in life.

The students at PHS seem to be able to interact easily with each other; there's a relaxed attitude on our campus. We hope that we can continue to develop close friendships later in life.

1. Debbie Bell checks papers in Mr. Paul Renfrow's biology class. Debbie is a teacher's aide for this class.
2. Troy Powers works hard in Lithography III.
3. Teri Lindsey and Diana Stram are taking advantage of the factual material in our library, a favorite place to work on campus.
4. Danny Black shows his skill on the skateboard at "Skatepark Paramount." Skateboarding is a very popular sport this year.
5. Debbie Kaminski is a talented roller skater and has skated competitively for eight years. Debbie practices four hours a day and will be receiving a gold medal in Dance Test Skating.

4

Room for Individuality

While some would rather be skating, others like to spend their time researching or studying certain subjects. This individuality is what makes up the world, and it is allowed and even emphasized here at PHS.

This year we were able to study subjects that we wanted to; and some were even able to participate in extracurricular activities while receiving high school credits. This was possible through the Independent Study Program.

Also, a wide variety of subjects were taught in the social studies area so that we could study what interested us.

There are many fields of occupation, and PHS tried to supply varied material so that each one could prepare for the future.

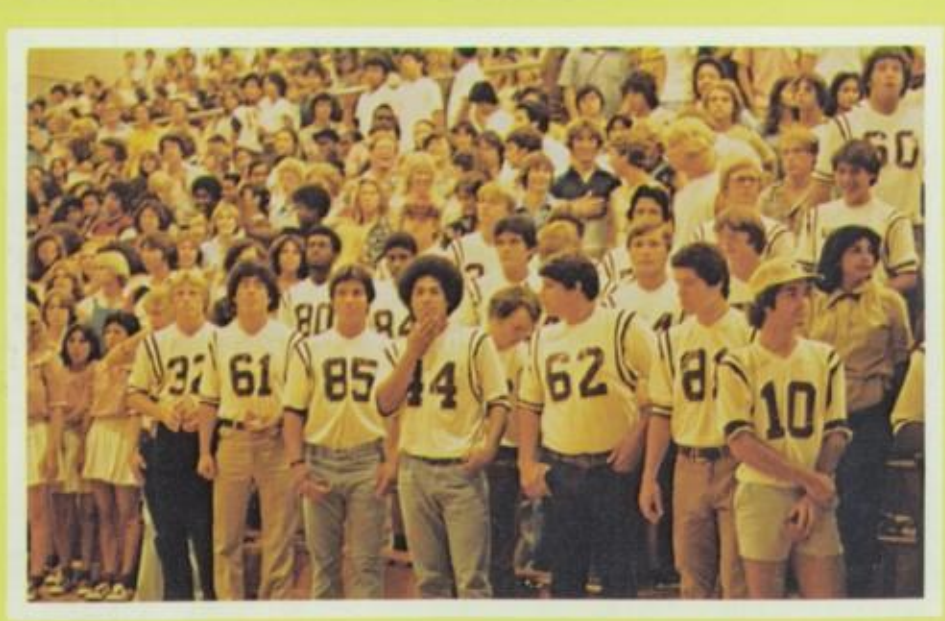
STUDENT LIFE

4

We come together at rallies, football and basketball games, soc-hops, spirit week and homecoming; but we come together as vastly different people. Some are black and some white, some over-achievers and others almost-dropouts; still others pursue simple pleasures while some are all-out thrill-seekers. Yet we enjoy many of the same activities while we're here at school.

Our goal, through these activities, is to build friendships instead of walls, to get everyone involved, and to make this the best year ever for these accomplishments.

We are participating energetically in many pastimes in the hope of coming together, closer than ever, before we have to go our separate directions.



5

1. Tim Powers and Mike Eickhorn are using the printing machine in the Lithography class. This is where the Porthole is printed.
2. The giant "P" on the front of our gym signifies to everyone that we are the Pirates. We are proud of our mascot.
3. Mike Mulrooney, Theresa Thaten, Diana Stram, and Sharlon Smith sit on the edge of Senior Square and discuss the day at snack.
4. Ginger plants can be found in many planters on our campus. They are just a part of the new shrubbery to enhance our school.
5. At the start of our rallies, we honor our flag as the band plays the "National Anthem." We always sing the "Alma Mater" at the end of assembly.

1. Faculty members show their spirit during the first football game of the season.
2. Bart Camps is surprised when the water balloon is popped.
3. Students relax and talk to friends around Senior Square during snack.
4. Seagulls and a dog watch the waves roll in. The beach is a favorite place to go.
5. Football is one of the many exciting sports students participate in.
6. During "Spirit Week" Karin Wald hurriedly eats pizza for the pizza eating contest.
7. Tangy Hill and friend dance at one of the many soc-hops.
8. The students at PHS attend a rally.

Spirits live in Pirateland

While some schools screamed, "Spirit is dying!" hundreds of our students turned out for school activities and cheered, screamed, stomped, and urged our teams on. They showed up for the soc-hops to hustle and boogie to the beat. Cheerleaders showed boundless energy with new routines and skits.

True, some didn't take part, but most of us did.

Spirits were alive and thriving in Pirateland in '79.

Shirley Rubeshaw is Crowned 26th Queen

Highlighting the halftime festivities of our twenty-sixth Homecoming game was the crowning of our new queen, Shirley Rubeshaw.

Shirley was crowned by Linda Bruce, who also presented Shirley with the robe and a bouquet of red roses. The court members were presented with pink roses.

Following the fireworks display to celebrate the crowning of our queen, the band and Drill Team performed to "2001 Space Odyssey."

The gym was decorated in autumn colors to accent the theme of our dance: "Autumn Rainbow." At the dance, the queen and her court were honored as they were presented with trophies to commemorate belonging to the 1978-'79 Homecoming Court.

Striving for Perfection

The Symphonic, Concert, and Stage bands along with the Orchestra were all under the direction of Mr. Larry Martin. New at PHS, he said that he has had the desire to become a music teacher since junior high school. His high school alma mater is Vista and he's a college graduate of Cal-State Fullerton. Mr. Martin said, "I feel the music department here at PHS has much potential."

The band participated in selling candles and candy as fund-raisers for their annual spring trip and festival. The band did quite well with their fund-raisers, and the money was hard earned.

With rehearsals every day and the demands of various performances, these groups of musicians kept very busy.

Band Sets New Goals

The marching band, under the leadership of new band director, Mr. Larry Martin, participated in half-time competition pageantry for the first time ever. The competition was held at Cal-Poly Pomona on a rainy and blustery Saturday last November. Twelve other bands competed with PHS, and the Pirates placed sixth.

Displaying vitality and enthusiasm, Drum Major Glenn Johnson conducted the band at athletic events with added life and excitement under his direction.

Mr. Martin has plans to enlarge the band by getting more junior high students involved and to continue participation in competition performances.

Directing the PHS Choir and Girls' Glee this past year was Mrs. Margarette Spears. New at PHS, Mrs. Spears has definite plans for the music program here. She hopes to have our Girls' Glee and Choir expand and reflect the student body by having more minority students involved.

The Choir sang for the local service clubs, hospitals and schools this past Christmas season. The Girls' Glee sang along with the Choir for the annual PHS Christmas program.

Three of our senior Choir members – Alma Aguayo, Melody Drechsler, and Linda Kleven – sang the National Anthem at our Homecoming game. They sang in three part harmony, and this was a first at PHS.

Creating This Book for You

Meeting for the first time in September, we set out to create a book that would be pleasing to our fellow students. We then chose the theme "We Come and Go in All Directions" to unify the book and decided on the metalay design for '79 for the cover. Making the book special for the seniors, we put their section in full color.

Many after-school and night work sessions followed as we tried to record the history of the year, accounts of the events, and memories of the good times and the bad times in pictures and copy to live through the years.

1. Susan Romberg, the copy editor of the yearbook is writing material for opening section.
2. Sharlon Smith, John Aliff, and Ross Turner are working on underclassmen pages.
3. Bob Weist is discussing plans for the freshmen section. Bob will perhaps return to the staff next year.
4. Mrs. Jennieve James is discussing the sports section with Bill Regner. Bill is head of that section and hopes to make it the best ever.
5. Darlene Demulling, a sophomore, is typing names for her class' section. She plans to be on the staff next year.
6. Simone Bovard relaxes as she works on the faculty section. She is a diligent and organized worker.
7. Mrs. Jennieve James, the adviser of the yearbook staff, has had this assignment for fourteen years.
8. Toni Matsumoto, the editor of the *Jolly Roger*, returned for her second year on the staff.
9. Susan Romberg, associate editor of the *Jolly Roger*, is on the staff for the first time this year.
10. Mike Mulrooney, our business manager, sells advertising space and takes care of public relations.

Shout it Out

This year's Varsity Song and Yell squads were the most spirited ever. They cheered at Varsity football and basketball games and were able to get students involved; they made them participants rather than just spectators.

At rallies and halftime shows, adults as well as students enjoyed the entertainment provided by the squads. Performances ranged from competition routines to audience participation cheers.

Our squads worked very hard, and their efforts really paid off. *Shout it Out!*

Drill Team Goes Through Changes

4

This year's Drill Team went through some changes. Under the direction of Mrs. Evelyn Hawkins, the squad's new advisor, they marched in parades and competition for the first time, and they placed high. This raised the squad's spirit, which affected the students as Drill performed at games and rallies.

After attending a two-day summer workshop at El Dorado Park, the squad improved in attitude and performance.

The Drill Team feels that their progress will continue, and they're expecting a large squad next year.

Learning by Doing

The Production Staff printed the Porthole monthly. Besides the Porthole, they also printed the football programs, tickets for the dances, memo pads, and other materials for the school.

Mr. David Yakubovsky, Production Staff advisor, came to Paramount this year with new ideas and enthusiasm. He also taught photography and lithography during his first year at PHS.

After twenty-one years of teaching here at Paramount, Mr. Benjamin Dodd, Porthole advisor, looked forward to retirement this year. His plans for the future included teaching journalism part-time and enjoying his hobbies.

He has been instrumental in helping students attain scholarships to further their education. Former students have gone on to be editors of college newspapers and work for network television and radio stations. The Porthole helped train students for future careers in the field of journalism.

In academic interests, we come and go in all directions. That is the reason why the main consideration in our academic programs this year is where we students will be in the future. The subjects focus on our abilities and needs as students.

Realizing how important reading and writing are for functioning successfully in society, the English Department emphasizes development of basic skills.

In preparation for our college years, our math and science departments provide courses that we need as background. Vocational arts such as business, shop classes, medical assisting and child care ready our students for our roles in society.

Music, arts and crafts, and the fine arts meet those special interests and abilities of our students while the social studies department prepares us to be good citizens.

If we study hard and take advantage of the learning opportunities offered us here, we will be prepared for the direction we choose to go after high school.

ACADEMICS

1. Mr. Paul Renfrow is showing his class the parts of a frog. This helps them to know what to look for in their dissections.
2. Students are listening intently to Mr. Bob Rittenger as he speaks about past events in history. U.S. History is a required course for all juniors.
3. Penny Killian is displaying her talent on the violin. Penny has been involved in orchestra for many years, and it shows in her performing ability.
4. Francisco Cabral is working hard on an art project. Francisco, along with the other students in crafts, is very artistic and imaginative.

We may not all become famous scientists, but if we did, we would have our science department to thank for it.

In addition to preparing us for our college years, biology taught us the source and behavior of all life; physiology helped us to understand the functions of the human body; and chemistry opened our eyes to the building blocks of the universe- molecules.

Our general science classes provided basic understanding of the world around us while Science Research, a new addition, gave us opportunities for individual experiments and unqiue experiences. The class kept up a marine tank and also raised mice, rats, and rabbits. They also worked on a rocket, a project headed by Rick Little, a class member.

Our science classes gave us a new perspective and understanding of life.

3

1. David Spivey is working on an assignment in his biology class. Biology is a popular class with juniors and seniors.
2. Bob Weist is checking the pH level in the marine tank. This is a project of the science research class.
3. Students are observing an experiment in Mr. Dennis Hudson's general science class. Mr. Hudson performs many interesting experiments for his students.
4. Mike Davidson is working on a test in chemistry. Chemistry is not an easy course, but it is very interesting to study.
5. Liz Frias, Terri Orr, and Lisa Meier are working on questions in Mr. Paul Renfrow's biology class. Many juniors take this class to prepare for chemistry or physiology.
6. Having a good time dissecting their frogs are Mark Mirando and Martin Morales. They are in Mr. Renfrow's general science class.

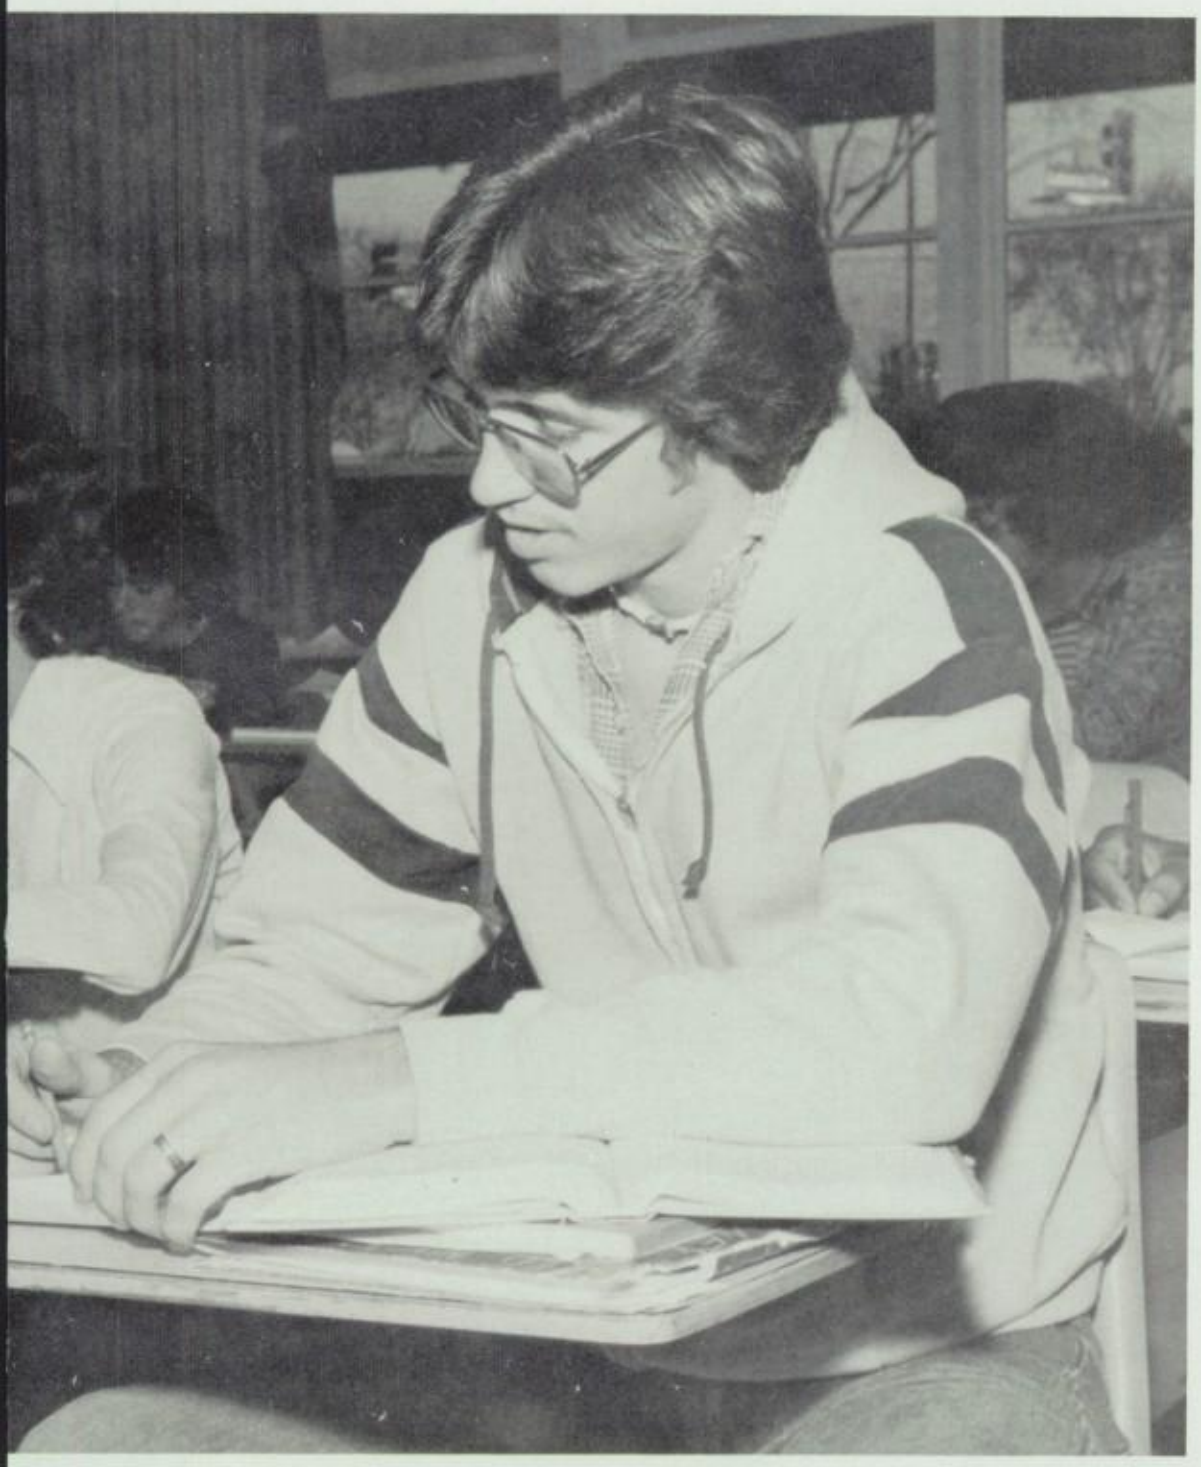
2. Student is doing classwork in Mr. Powers Algebra I class. This is a class taken by many freshmen to help form a base for their future education.
3. Allen Korbe is finishing up his work in Algebra II. This is a class taken by many seniors who are planning to go to college.
4. Butch Armstrong is working on his geometry. This is a class taken by mostly sophomores.
5. Mr. Richard Arklin is solving a problem on the board. Mr. Arklin is a student teacher this year for Mr. Richard Gerhold.

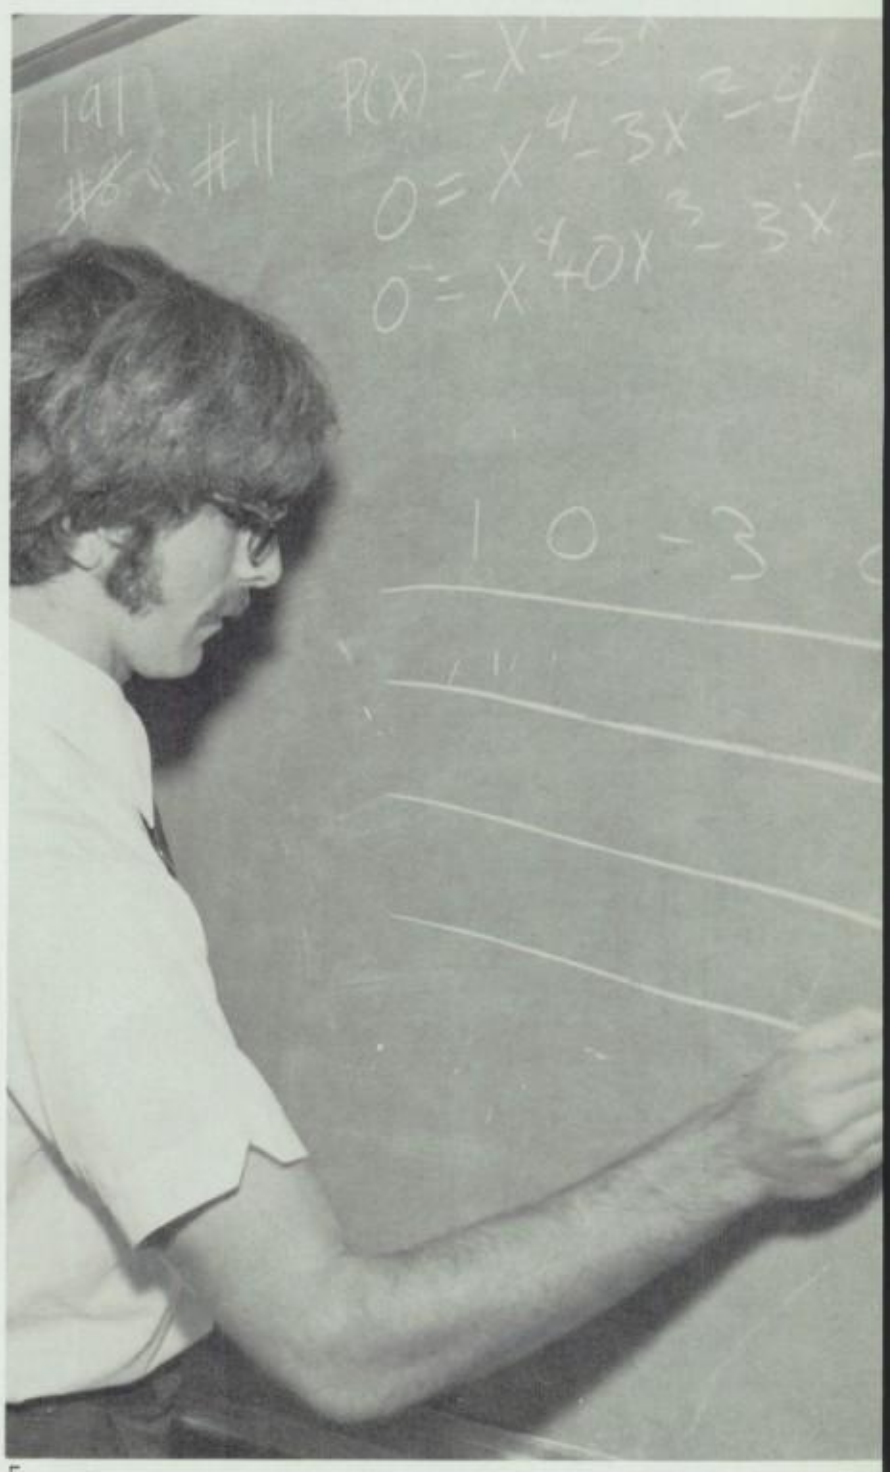
Our math teachers this year had a great sense of humor and made what could be an unexciting course – math– almost fun.

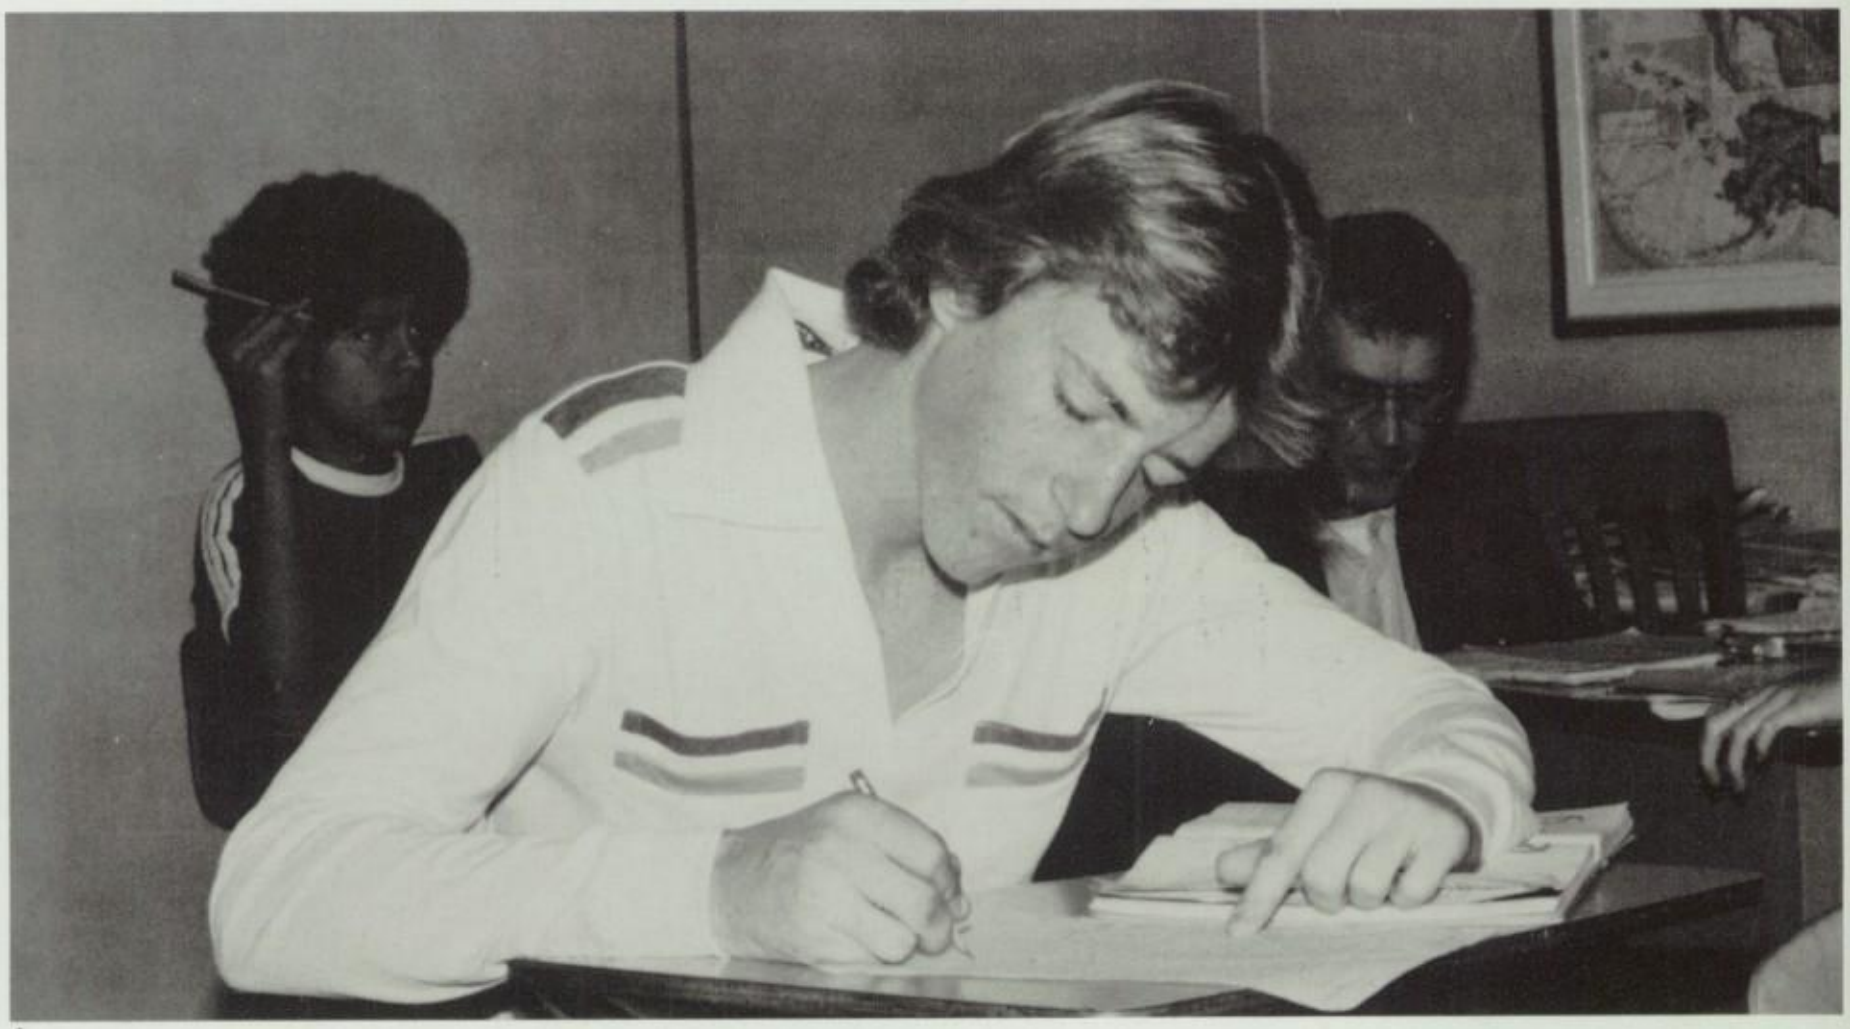
The relaxed atmosphere in the classes helped our students to perform better as we got along well with our teachers, who were also interested in us as individuals.

The curriculum remained the same, and we learned just as much – we just had more enjoyment doing it.

The national math scores will tell you that this method of learning has been successful – both for students and teachers alike.







1

Our social studies program, an important part of our curriculum, exposed the students to the world around them. Most of us, being brought up in Southern California, were not aware of the values and customs of other world cultures. Through our study of social sciences, we became somewhat familiar with the world picture.

Our History I and II classes started us out with the happenings of our country's past. We then moved on to the present through civics and current events. Our interests were then met through electives such as sex education, psychology and driver's education.

Our social studies program succeeded in making us uniquely aware of the world we live in.

1. Russell Slayton is working on his assignment in driver's education. Russell hopes to get his license soon.
2. Student laughs as Mr. Bob Rittenger jokes about a subject. Many juniors take History II as it is a required course.
3. Craig Graham takes notes as Mr. Rittenger talks about past events in history. Craig will later be tested on this lecture.
4. Students chuckle at a teacher's joke. Many of our teachers have a good sense of humor to promote student-teacher relations.

English, Spanish and French—these were the languages taught and spoken on our campus this year. Providing a program to meet the needs of students whose achievement ranged from elementary to college level, the English Department offered a varied program. Advanced Composition and Literature courses at each grade level were designed for able and ambitious students who were prepared to study harder. Basic Composition Literature courses were for students who could read well and were ready for more concentrated composition instruction, and the reading classes and reading and composition labs were for students who needed special help in catching up.

The Spanish and French courses provided learning for students who needed foreign language for college or who were planning to visit the places in which these languages are spoken.

1. Casey Turner is working on his project in woodshop. Many students in this class make very beautiful creations.
2. David Frazier is working on a plan in industrial drawing. David will perhaps go on into architecture.
3. Kevin Holland and Mike Black are making a pie crust. Many boys are involved in homemaking to acquire practical skills for the future.
4. Rodney Davis and Mike Borrego work on a sewing project. Students learn important facts about design and fabrics in this outstanding class.
5. Gary Hughes is sanding his project in wood. When finished, it will be a beautiful bowl.

If you were planning to go directly to work or trade school right after high school or just wanted a head-start on your future education, you were probably involved in the vocational arts program.

Our various shop classes—including wood, metal, electric and auto— prepared some of us for future occupations and hobbies.

For those of us who were planning to become nurses or teachers, the vocational medical assisting and child care programs were a big help.

We also gained homemaking skills— learning to cook, sew and repair household items.

We will be sure to be creative and productive in future years because of our vocational arts program.

Some of our students were gifted with musical and artistic abilities; therefore our fine arts program met their interests with excellence.

Choir gave us a chance to use our voices; band and orchestra taught us to play our instruments with a finer touch, and arts and crafts enabled us to put our imaginations onto paper.

For those of us who planned to study these subjects further, the fine arts program prepared us well. For those who were involved for enjoyment, it was a good experience.

1. Lori Waring is concentrating hard on her part in a piece of music. Lori is a talented musician and will return next year to play in the orchestra once again.
2. Student is working hard on his project in art. Art is a class in which students are allowed to use their artistic talents.
3. Mr. Larry Martin is practicing a song before his guitar class begins. Guitar is a new class this year, and many students got involved.
4. Patty Gampe and Larry Enriquez are performing in band. This is Patty's senior year, and hopefully she will continue with her music.
5. James Myhre is perfecting a work of art in crafts, a fun class taken by many students.

Being a senior . . . the highlight of our four years here at PHS. As Pirates, we represented our school through our individual activities and forms of expression. We all experienced different "special moments" in sports, scholastics, dances, or just being with friends.

History . . . we observed four years of significant events from 1975-1979: the Salt peace talks, the trouble in Iran, the collision in the Canary Islands between two jumbo jets, houses in Malibu and Laguna Beach sliding into the ocean, a big drought one year to a downpour of rain the next, snow in Palm Springs to 95° weather in September. Following the death of one pope came the selection and death of another and the election of still another. The mass murder and suicides at Jonestown stunned us all. The disco fever rocked us and "Jaws" scared us. As a result of rising gas prices, compact cars became even more popular.

Scholastics . . . we strived for academic excellence through our different classes. Some of us took a college preparatory course of study; others took business classes, and still others took crafts and shop classes.

Graduation . . . after we receive our diplomas from PHS, we'll all go our separate ways. There are many new horizons before us. Choices may include college, marriage, or full-time jobs. As we go in different directions, we'll all hold strong our memories of PHS . . .

5. Seniors are getting into the Christmas spirit by putting up the traditional Christmas tree in Senior Square.

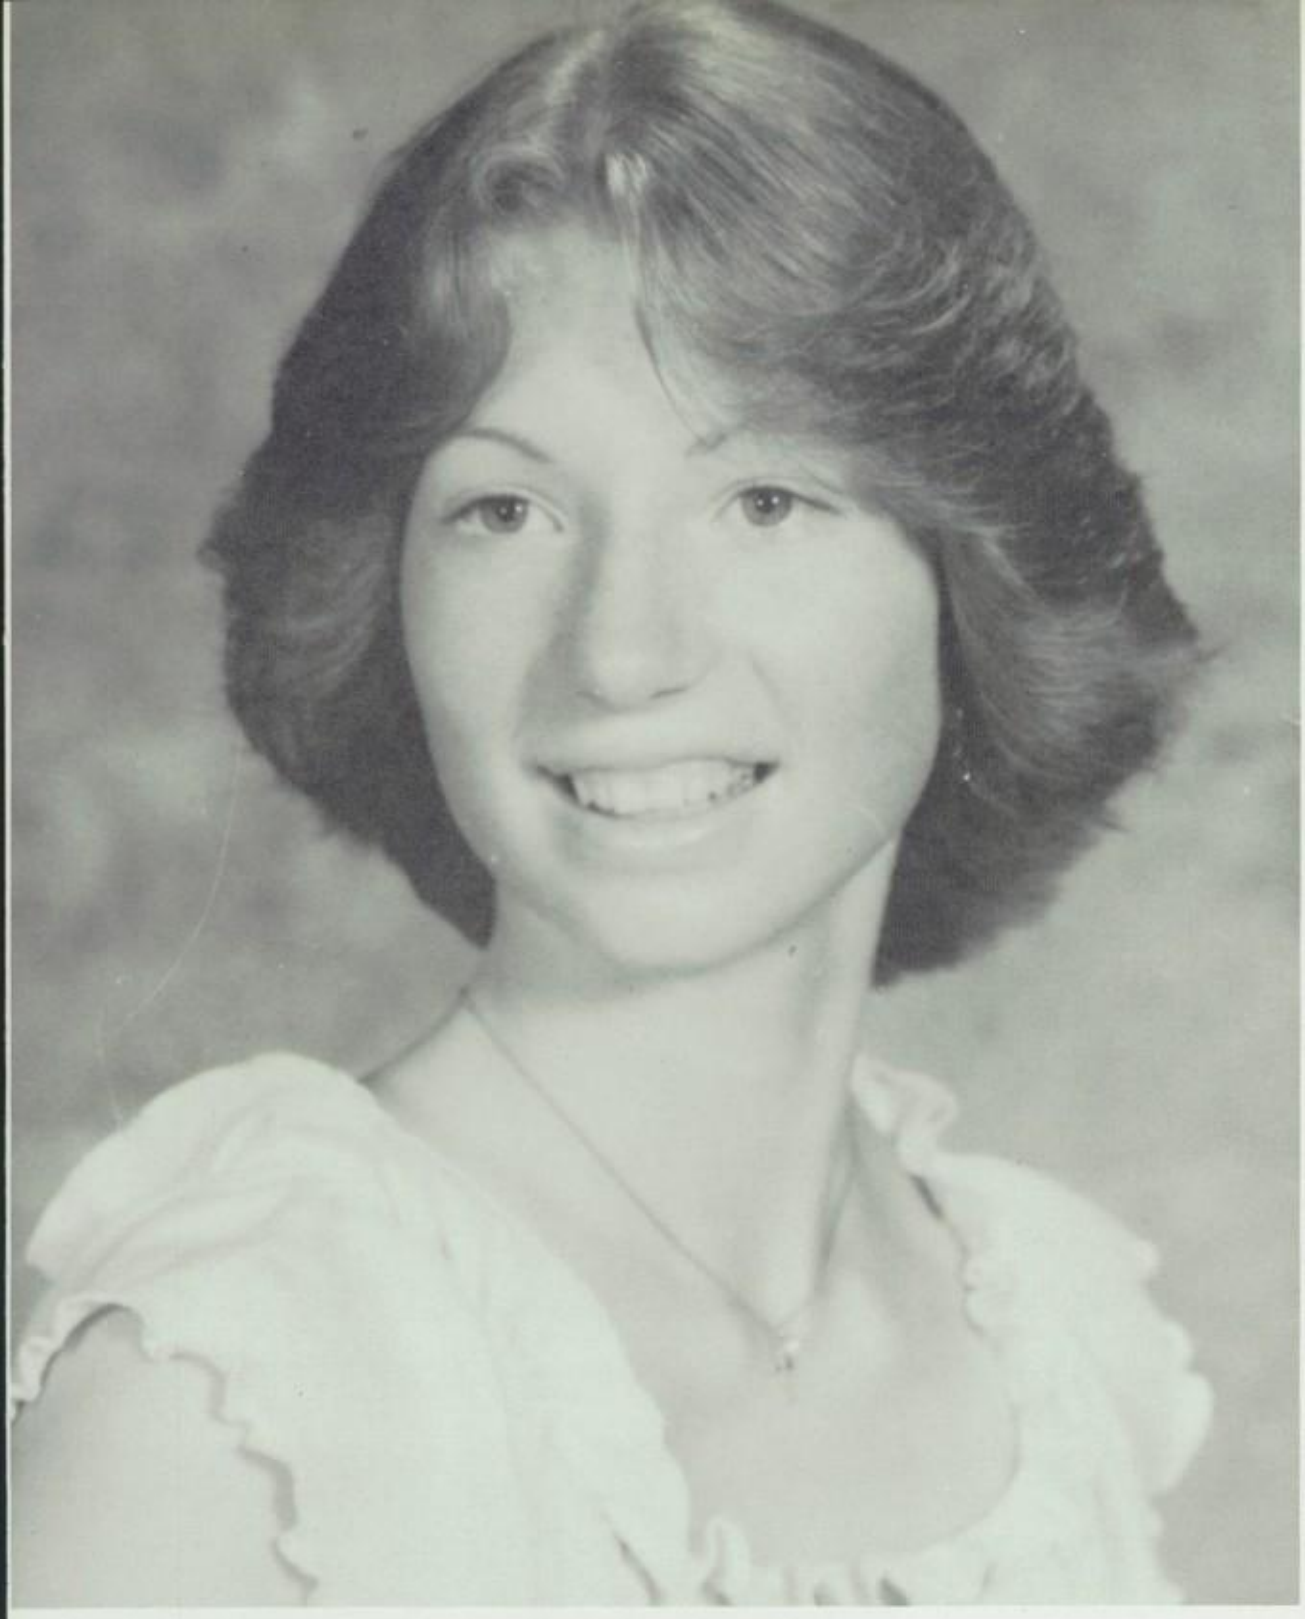
Debra Kaminski
Co-Valedictorian

Debbie Kaminski was named as co-Valedictorian having maintained a 4.0 grade point average. Graduating as a junior, Debbie has been in Band and Orchestra, Friends in Fellowship and California Scholarship Federation.

Although Debbie has been active in school, much of her time was spent roller skating. She has been skating for nine years and has won many titles such as winning the Southern California Championship for five years, and earning the Gold Medal for her testings. She was able to get physical education credit through the Independent study program. Debbie hopes to continue and improve her skating in future years.

Teresa Salazar
Co-Salutatorian

Chosen as Co-Salutatorian was Teresa Salazar. She was involved in Corsaires, serving as president, and in California Scholarship Federation, and Band and Orchestra. She also served as junior class vice-president and Commissioner of Rallies.



Diana Stram
Co-Valedictorian

Diana Stram was named as co-Valedictorian by maintaining a 4.0 grade point average. She was also involved in clubs and leadership during her four years. Diana served as senior class secretary and was vice president and president of Corsaires. She also was active in Friends in Fellowship, California Scholarship Federation, Drama Club while being a member of the Drill Team, the yearbook staff, the Porthole production staff, and the Principal's honor roll.

Maureen Henderson
Co-Salutatorian

Chosen as co-Salutatorian was Maureen Henderson. She was involved in California Scholarship Federation, president of Future Medical Leaders, and the editor of Porthole.

Rick Little was the recipient of the Jack Robinson Leadership Award. He was the A.S.B. President during his senior year and was the A.S.B. public relations commissioner in his sophomore and junior years. Among his many school activities were Key Club, and choir. He was also on the freshmen, sophomore and varsity football team and the J.V. golf team.

Donald Murashima, one of the runners-up, was the senior class president for both semesters. He was also on the freshmen, sophomore and junior class council. For four years, he was on the principal's Honor Roll and the tennis team. Don was a member of the Ski Club, Friends in Fellowship, Band and Orchestra Association, and the Jolly Roger staff.

Mark Harris displayed his leadership ability by being the sophomore and junior class president. He was also a fine athlete and was outstanding in basketball, football, and track.

Leadership Award

Twelve members of the Class of '79 came together here at Paramount High School four years ago. By working hard throughout their four years, they received high honors by maintaining a grade point average of 3.75 or above. To distinguish them during the commencement, they wore medallions supported by maroon and white straps. These medallions were theirs to keep to remind them of their outstanding achievements here at Paramount High School.

As they go their separate ways, they can be proud knowing how much they accomplished.

1. The marquee announces the graduation date.
2. Jack Yinger and Glenn Johnson were Paramount's Boy's state representatives. They were elected by the faculty.
3. Melody Drechsler was the Girl's State representative. She was also chosen by the faculty.
4. Students from Mrs. Elizabeth Thompson's Science Research class pose for a picture at Catalina. There they studied and learned about marine animals.

Rick Little
Pete Pirate

Many changes occurred this year, and one difference was having a tie in the voting for Pete Pirate. Donald Murashima and Rick Little were voted the most outstanding by the 1979 Senior Class for their excellence in academics, leadership, and participation in school activities.

Donald Murashima has been very active in student government, serving on the freshmen, sophomore and junior class councils and as the senior class president. He has been on the tennis team for four years and played the clarinet for band. Don was also very active in school activities such as being on the yearbook staff and being in C.S.F., Ski Club, Band and Orchestra, and Friends in Fellowship. He was also on the Principal's Honor Roll for four years, a runner-up for the Jack Robinson Leadership Award, and a Bank of America certificate winner.

Rick Little was our ASB president in his senior year and student body public relations commissioner in his sophomore and junior years. Being an outstanding athlete, he was on the freshmen, sophomore and varsity football teams, and on the J.V. Golf team. He was in choir for three years and a member of Key Club. He was also the winner of the Jack Robinson Leadership Award.

Chosen as runner-up for Pete Pirate was Mark Harris. Mark was involved in student government serving as sophomore and junior class president. Also being an outstanding athlete, he was on the freshmen football team and played for the freshmen, sophomore, J.V. and varsity basketball teams. He was also a part of the track team, and a runner-up for the Jack Robinson Leadership Award.

Colrena Foster
Polly Pirate

Colrena Foster was voted Polly Pirate for her academic, leadership and school activitiy excellence by the Senior Class of 1979. She displayed her leadership ability by being on the freshman class council and being the junior and senior class secretaries. She has been in orchestra for four years and was an officer for the Band and Orchestra Association. Colrena was a member of Corsaires for four years and in C.S.F. She was on the J.V. and Varsity Volleyball team and kept stats for basketball. She was a runner-up for the Jack Robinson Leadership Award and was the winner of the Bank of America plaque for liberal arts.

Selected as a runner-up for Polly Pirate was Shirley Rubershaw. Shirley was on the freshmen, sophomore and varisty Yell squads and was the freshmen, sophomore and junior class treasurer. She was very involved in school activities such as Corsaires and Friends in Fellowship. She was also the Homecoming queen of 1978 and was the recipient of the Jack Robinson Leadership Award.

Tied for second runner-up were Teresa Salazar and Teri Lindsey.

Teresa Salazar was on the freshmen and sophomore class council and was the junior class vice-president. She was on drill team, J.V. Yell and Varsity song. She was also in orchestra for four years and was an officer in the Band and Orchestra Association. Teresa was very active in school activities. She was a member of Corsaires for four years, in C.S.F., and a Bank of America certificate winner.

Teri Lindsey was on the drill team for three years. One year, she was a squad leader, and the next year, she was co-captain. Teri was also a member of the yearbook staff and C.S.F. She was a semi-finalist in the Homecoming court.

Leaders of '79

The class of 1979 came to Paramount High school four years ago. As freshmen, we experienced the excitement and struggles of high school for the first time. When the year came to an end, we found ourselves waiting for our sophomore year to begin. During the second year of school, we were able to order our class rings and sweaters. We received our sweaters that year, but we had to wait another year for our rings.

Our junior year came upon us fast. We got our class rings and were set to start making ourselves noticed. With that accomplished, we were ready for our senior year.

As our senior year got under way, we strived to make our class the best. As we part and go our separate ways, we are free to strive for whatever goals we choose in life.

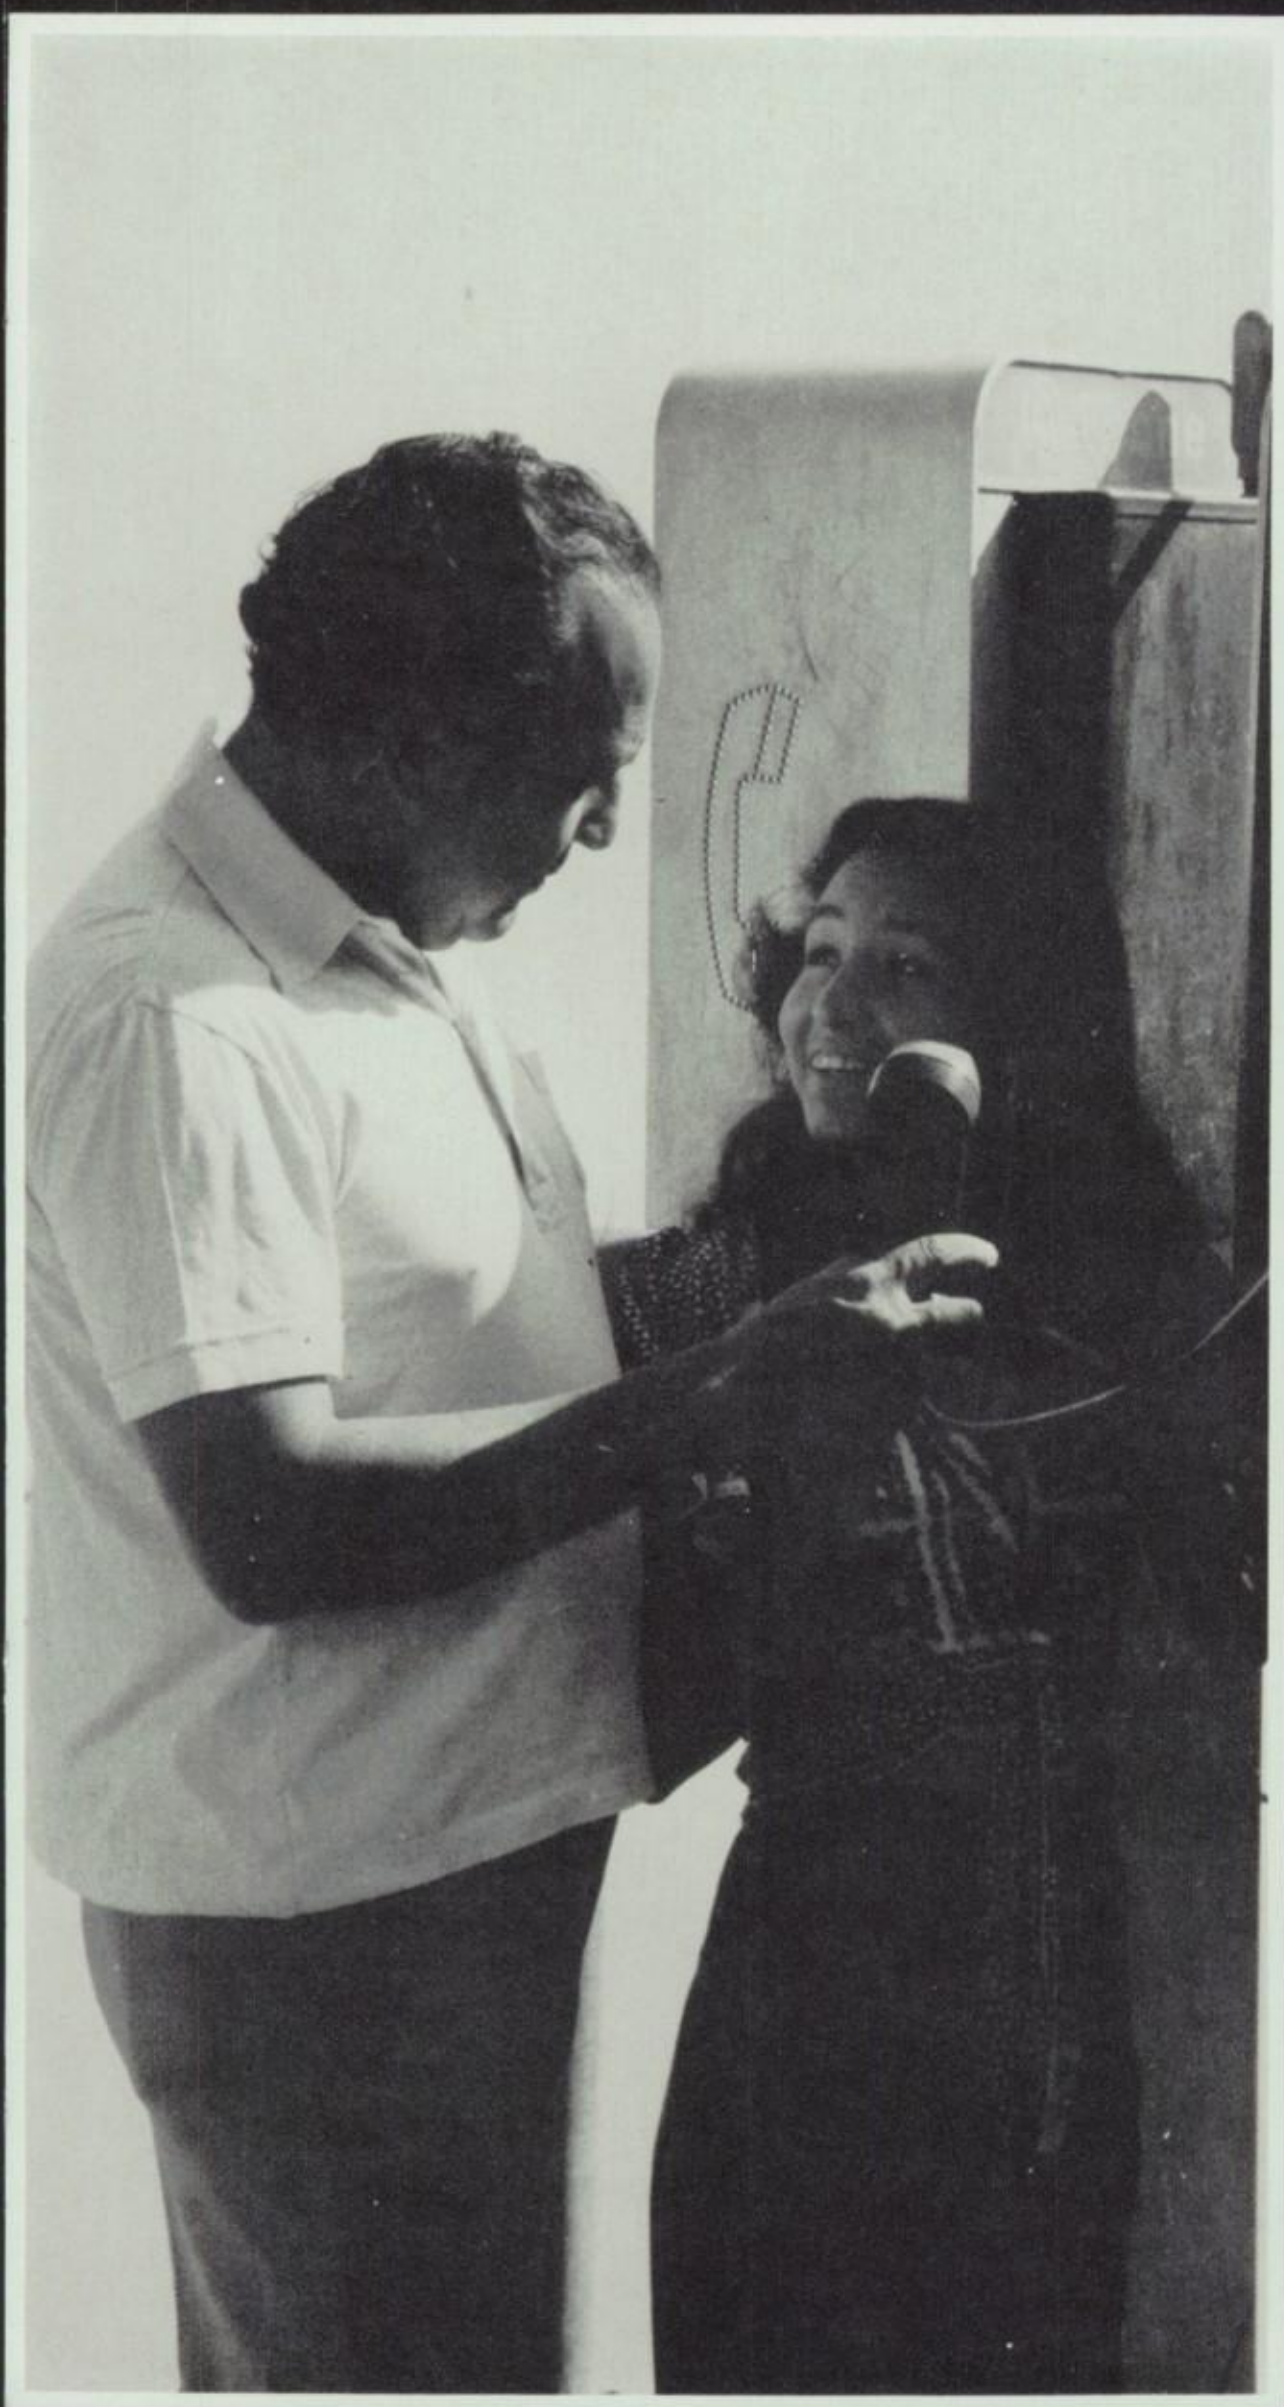
UNDERCLASSMEN

Section Editor Bob Weist



4

Coming from all directions were the underclassmen: freshmen, sophomores, and juniors. They came from advanced classes, basic classes, different ethnic groups, different junior high schools, and several communities; but these students held one goal high in their priorities - becoming a senior.

Before reaching this peak, the underclassmen are required to pass through freshman orientation, math, science, history, and English classes. They must stay clear of Senior Square until their awaited day.

Although they came from many different directions, the freshmen, sophomores and juniors had one thing in common – pride in being a Pirate.

5

The Best Is Yet to Come

Preparing for their prom was very important to this year's junior class officers. To help raise money for this event, the juniors sponsored soc-hops, sold candy, and hosted a spaghetti dinner.

Prom sites were also taken into consideration, one of these being Hugh Heffner's mansion in Hollywood.

The junior class officers also succeeded in promoting spirit. The juniors won the Spirit Jug many times in pep rallies. The junior officers worked hard to make their senior year the best one ever.

Sophs Working Hard

As the Class of '81 moves on through their high school years, they will encounter many new adventures. Many of these will be learning experiences that will help the student later in life. As the Class of '81 approaches the day of graduation, they will grow not only mentally but also spiritually, socially, and physically. Many friendships formed here will be lasting ones.

We Are Sophomores

We will have good times as well as bad in our years here at PHS. It will be time for fun, pride, and friendships made and lost. It is a learning time for us. We pick ourselves up when we fall; we begin again when we fail. Through all this . . . we can smile. We must face the world with open hearts and minds.

Work and Play

For sophomores, lunch time not only for eating but also for studying, chatting with friends, making plans for the future, and plain taking it easy. Since this was their second year at PHS, they were old pros at struggling with the long lunch lines. Many sophomores preferred to go off campus for a change of food and scenery.

1. Typing is one of the many vocational courses PHS students take.
2. Sophs use lunch time to relax and talk about the day's happenings.
3. Snack is a time all PHS students look forward to.

Spirited Freshmen

Coming to high school was a frustrating experience for some students, especially the freshmen. But amidst all the drastic changes and harrassment from upper classmen, they proved to be a very spirited and dedicated class.

Graduates of Clearwater, Alondra, and other schools all came together to form this year's freshmen class. They worked together to sell pennants and balloons at Homecoming and won the "Cool Stool" honors. They also sponsored soc-hops and trips to television program tapings to help raise money for their class.

Freshmen in Disguise

The freshmen actively participated in many of the school's activities, one of which was Halloween Dress-up Day.

There were many costumes ranging from creepy Count Dracula to shy little Tweetie Bird. A costume judging was held, in which many freshmen took part. The day was fun for everyone, and it promoted school spirit.

Developing Study Habits

Since the first day they came to PHS, the freshmen have learned to develop study skills. They have accomplished this through the help of their teachers.

Some of the classes offered to freshmen were general science, algebra, Composition/ Literature I, and social studies. These classes were just the beginning of the many college preparatory and vocational courses to follow. Through these classes, the freshmen could get a "taste" of the future.

New Experience

It was a new experience for them, and it was scary at first, but the freshmen seemed to enjoy their first year at PHS.

The new faces, the gigantic thing they called the campus, and the unpronounceable names of the teachers were hard to get used to, but with time they finally adjusted.

By the first quarter, the freshmen became accustomed to and even looked forward to the next day of school. Now, they patiently await the coming of their sophomore year.

Coming and going in different directions, our teams competed with their Suburban League opponents, who found them to be fierce competitors. Our school fared well record-wise this year. Facing our fine athletes in various sports were teams from the seven other schools in the league: Artesia, Bellflower, Excelsior, Glenn, Mayfair, and Neff.

Developing physical fitness, toning the muscles, accepting responsibility, growing in knowledge and self-confidence, learning teamwork and self-discipline – these were the goals of our athletes. These traits will be beneficial to our students as they go in different directions.

Since the end of the 1977 season, our Varsity Football coaches and players had been looking forward to this year and anticipating a fine season. After our first game we realized that we could fulfill all the promises that had been made. Mark Keppel fell in defeat, 19 to 6. The Pirate Pride was flying high for our next game against Cathedral. Slowly but surely the Cathedral players gave ground to Pirate skill. The next game was against Glenn and was not much more than an easy practice as their Eagles were defeated 24 to 6. Our next game against Mayfair was a heartbreaker as we lost 0 to 13. We won our next 4 out of 5 with our only loss to Neff High School, defending C.I.F. champs. At the end of the season our record was 7 wins, 2 losses which gave us the wild-card to C.I.F.

C.I.F., We Told You So!

Bumper stickers that said "C.I.F. in '78" had reflected the hopes of the school and the community for months before the season started. Preparation began with weight training and drill in the spring and summer for the players. Then came our 7-2 season, and the wild-card spot was guaranteed to the Pirates. For the first time since 1958, the Pirates were in C.I.F.

The Pirate Pride was flying high, and we were ready. Our first game was against Burbank and was held at a neutral location. As the final gun sounded, the scoreboard showed Pirates 22, Burbank 15. As the fans shouted their joy, Coach Davies and his assistants sighed in relief. Now the task that faced the Pirates was to get ready for the Pioneer Titans. Again Pirate Pride showed no mercy, and another fine team bowed in defeat, 22 to 6. Finally came the toughest game we were ever to play: The site, Pirate Stadium; the opponent, Neff High School. At our two previous meetings, they had proved to be the victor, and again we suffered defeat. But our team had remained undefeated until the Semi-fianls of C.I.F., and Pirate fans were tremendously proud of their outstanding team.

7. Jericho Toilolo passes as the mighty Pirate offense blocks the Pioneer Titans' defensive rush.

Blood, Sweat and Cheers!

The Sophomore team this year under head Coach Glen Kaskela was superb in all aspects of the game. The Pirates scored 139 points while allowing their opponents to score a measly forty-six only. This gave them seven wins, one loss, and one tie.

"This year's team had some excetional athletes: Andre Hayes, Mark Schaifer, and Martin Espitia," Coach Kaskela said. "We had a fine team, and I hope that all my fine ball players keep on playing football for their remaining two years at PHS."

1. Linebacker Steve Moreno dives to make a tackle to stop opponent from making a first down.
2. Quarterback Martin Espitia is handing off to number twenty on a 240-Dive to gain yardage for the badly needed first down.

"When a ballplayer comes up from junior high, he isn't very disciplined, but that's soon changed," commented Head Coach Paul Renfrow. "We first start by building team spirit and togetherness; along with that we use the basic fundamentals to produce fine athletes." This year's team was one of Coach Renfrow's smallest in number, but it ranked high with the talent of all the players on the team. Four wins, two losses and three ties were the Frosh's season record. The freshman team, Class of '82, has the potential of making another varsity winning season.

Leaders of the Pack

This year's boys' Cross Country team went through a rough season. They won only two of their seven meets, but they were very competitive. John Campos, the MVP and an outstanding runner, led the team through workouts after school and on weekends. Some of the other outstanding runners were Jesse Sierra, Leonard Cruz, and Mark Long. The team tried hard and made their presence felt in the league.

1. John Campos finishes race at Mayfair. He ran strong and finished first.
2. Mark Long and opponent battle for first place. This is Mark's third year in cross country.

Finishing the season with a league record of 5-2, the Junior Varsity, with the help of volunteer Coach Don Brown, made themselves known throughout the season. Led by some of the outstanding runners such as Jose Almadovar and Sam Houchin, the team managed to win five out of their seven meets. The team on the whole ran well and showed a lot of dedication. Ken Teeples, the one-man freshman team, however, was undefeated in the league. Ken showed a lot of dedication and was very competitive.

4. Ken Teeples, the one-man freshman team, paces himself ahead of his opponent. Ken went on to win the race and was undefeated in the league.

5. Wes DeBryune finishes the course with a second place time of 16:10. Wes improved a great deal and contributed to the team's winning season.

6. Jose Almadovar finishes first at the hard, hilly LaMirada course. Jose was one of the outstanding runners on the J.V. team

Running With Pride

The Girls' Cross Country team-consisting of one senior, three sophomores, and three freshmen- was undefeated in the league. Colleen Davidson, a sophomore, won the league Invitational Championship. Luz Mota, a senior, also won second in the individual finals. Long hard practices really helped when they became league champs.

The coach of the girls' cross country team, Don Brown, a volunteer, spent most of his time helping out the cross country teams. Working hard after school and on weekends, the girls pulled into a 7-0 record for first place. Some of the outstanding runners were Luz Mota, Colleen Davidson, Renee Rencoret, and Arina Tercero.

Girls in Action!

Records don't always show what proves to be true about a team. That was the case of our volleyball teams this year.

Heartbreaks – that was the story of our girls' Varsity Volleyball team. Five times games had to go into overtime with the Pirates' losing four out of the five. Nine times we lost by three points or less, which is very close in volleyball. Considering all the hard practice our team went through, their record should have been better.

The Junior Varsity team had a very exciting season, and like Varsity, they lost in very close games. However, the experience gained in their season will provide next year's varsity team with much needed skill.

Our teams' records were 5 – 9 and 6 – 8, but the records didn't show the outstanding ability and spirit of our teams.

Varsity on the Ball . . . While

Although the Girls' Varsity Tennis team experienced a somewhat frustrating season this year, winning only three of their fourteen matches, they did have many good individual players. Because of exceptional play throughout the season, Chris Wright received the Most-valuable-player award and Sun Ae Nam was named Most-improved. Also making valuable contributions to the team were Toni Matsumoto, Caroline Mũnoz, Ramona Huerta, Melody Drechsler, Lynn DeCreek, Melissa Trujillo, Wanda Harris, and Lisa Segars.

Although things did not go well, the spirit of the team remained high. Five of the girls will be returning for a second year, and they hope the situation will improve.

Junior Varsity tennis has improved greatly over the year. Miss Glenna Fitzhenry is the newly appointed J.V. Tennis coach. With help and effort from Boys Varsity Tennis coach Mr. Paul Castillo, Miss Fitzhenry worked very effectively with the team taking the girls to an 11-3 season and tying Mayfair for second place in league play.

Loretta Powell, who was chosen Most Valuable Player, helped the team greatly. Also contributing much to the team were Araceli Goss, Adriana Goss, Jennifer Flippen, Treasure Shell, Charmaine Bates, Derenda Baker, Gloria Berumen, Randi Owen, Nancy Brashear, and Lydia Black. Whether or not they played every match is not important; they all gave their moral support.

7. J.V. players take time between matches to catch their breath and have a cool drink.

Shoot For Two In C.I.F.

Under the direction of Coach Jim Cockrill, who was new in this position, this year's varsity basketball team set a goal to go to the C.I.F. playoffs.

In the early season, it was only a dream. We had to play Mayfair, the number-one team, and we lost; but real despair set in when we were defeated by Bellflower, our arch rivals, by one point. In spite of this, our team kept working and practicing with every game. Then came the time to play Bellflower again. We beat them easily; but we still had Mayfair, the first-place team, to contend with. The game was close, but we came out the victors. We had defeated the first place team, and now we were ready for C.E.F. Now, our dream had become a reality.

In the first game in C.I.F., we faced Hart, and outstanding team, and beat them 58 to 56. In the last second of play, the score was tied, but Kevin Holland sank a fifteen footer to put us into the second round of play, where we faced Indio, the Desert League champs who had a 21-0 record. The fans could relax at this game because our team jumped ahead in the first minute of play and kept a comfortable ten-point margin throughout the game and won 69-59. This victory put us into the quarter-finals of C.I.F., the first time in the school's history that a team had gone beyond the second round of play. There, we faced Sierra of the Whitmont League. We lost to Sierra, but Pirate fans were very proud of this outstanding team.

"The Paramount freshman team was small in height but tall with enthusiasm," said coach Pruden. Though their record wasn't as good as they wanted it to be, consistent improvement was seen as the team concept and aggressive play helped them to become an offensive threat."

For most of the squad members, it was their first experience in an organized basketball program. With their noted improvement, we expect to see some future Varsity Pirates from this team.

Tee'em Up!

Coach Bob Maras expected his 1979 golf team to be one of his best ever. For the first time since golf was started at Paramount, we had sent one player to C.I.F. in 1978, Ron Czerwinski. Although we were very young, we had three returning lettermen. We have four juniors and four freshmen.

Propostition 13 hit the golf team hard; at first there wasn't going to be any golf teams at all. But permission was finally granted to have varsity only. This made the competition for places on the team very fierce.

5. Golf Team: Rick Baker, Ron Czerwindki, Jeff Tisdale, Bill Regner, George Dalton, Mike Davidson, Russ Slayton, and Joe Torres.
6. Mike Davidson hits a drive down number one fairway. In 1978, Mike was most valuable varsity golfer.
7. Mr. Bob Maras, Varsity Golf Coach.
8. Ron Czerwinski shows form in his over-powering drive. Ron was most improved varsity golfer in 1978.
9. Russ Slayton prepares to hit his drive. Russ was most valuable J.V. golfer in 1978.
10. Mike Davidson lines up his 30 foot putt for par.

Win With a Pin!

Since there was only one returning letterman from the previous year, this became a "rebuilding season" for the Pirates Varsity Wrestling Team. Returning letterman Steve Catalfimo won a first place at the League Finals. Taking home second place trophies were Rene Thibodeaux and Ford Faulkner, and Layne Clyde took third place in the League Finals. All are returning next year except Rene Thibodeaux.

Trying for Perfection

The girls' varsity basketball team went through a rough season but improved greatly. Coach Tony Cantu commented, "The team had a very outstanding defense and held some of the top-scoring teams in the league to low scores. The games were exciting with plenty of action." He also said, "The team worked mainly on the basic fundamentals of basketball." Margaret Gasporra and Lori Haines were two of the top scorers for the varsity team. On the whole the team improved a great deal throughout the season.

1. Loretta Powell and opponent battle for possession of the ball. Loretta was a top competitor and an outstanding player.
2. Lori Nazereno shoots around her two man press. Lori also was an outstanding player and contributed to the teams winning games.

5. Margaret Gasporra puts the Pirates on the scoreboard. She was the top scorer for the varsity team.

The girls' junior varsity team had a rough season this past year. Although they lost several of their games, they gained knowledge and experience. Their goal was to play their best and develop skill. Much hard work and time went into the junior varsity basketball team. Top scorers on the team were Adriana Goss, Doreen Davidson; other scorers on the team were Della Johnson, Linda Williams, and Dee Clair. Coached by Miss Evelyn Dyer, the team experienced hardships but showed much enthusiasm when the going got rough.

Varsity in League

J.V. Still Kicking

The Varsity Soccer team had a good but somewhat disappointing season. The team was the best in league but had to forfeit their first six matches because a player was ruled ineligible.

The team had some outstanding players. Seniors Rodolpho Morphin, Al DeLeeuw, and Alfonso Mandrigal provided much talent for the team. Manuel Ruvalcoba, sophomore, also contributed much although he was younger. Manuel is very talented and will have a good chance of becoming a professional soccer player in the future.

The coach of the team was Mr. Nelson Munoz, who was chosen Soccer Coach of the Year in league. Mr. Munoz expresses appreciation to the team's former coach, Mr. Carroll Speight, for getting them off to a good start.

A Young and Growing Team

Consisting mainly of underclassmen, the Varsity Tennis team experienced a rebuilding year. There were only two returning varsity players, Mike Black and Glenn Costello, and they were two of the major contributors to the team. Some other players that should be included as having had a lot to do with the team's success were Freshmen Pat Astredo and Joe Reudlinger, Sophomores Yun Choi and Lenny Baca, Junior Jim Ward, and Senior Donald Murashima.

This team had a good year and should be remembered as a team that had a very positive attitude and fought hard all the way.

The boy's Junior Varsity Tennis team consisted of freshmen, sophomores, and juniors. All of the players were fairly new to tennis, but they worked hard to be the most competitive in the league.

First singles for the team was Danny McCarten, an important part of the team this year. Also contributing much effort to the team were Bob Castillo, Carlos Pena, Alan Messamore, He Chin Che, and John Claxton.

Miss Glenna Fitzhenry was the new coach for the junior varsity boys this year. She worked hard to give this year's beginners a chance to be outstanding competitors.

Keep on Trackin'

This season's track team had a new head coach, Mr. Glen Kaskela. He had much enthusiasm and many new ideas, and he had hopes of greatly improving our track team. He tried to get many students involved in the sport. Thanks to him and the assistant coaches, Mr. Ken Sutch and Mr. Don Brown, our school had several C.I.F. hopefuls such as Dennis Holbert in the triple jump, Bryan Penn in the long jump, and low hurdles, and Russell Nunez in the shot-put. We had an outstanding track team this year.

1. Russell Nunez is showing his power and form in putting the shot.

We've Got Legs

After last year's winning team, the girls looked forward to another victorious season. They were led by returning varsity lettermen Colleen Davidson and Carrie Muehlhauser. Not only were these girls important, but the team as a whole worked together to earn more points. In track, the first, second and third finishers all score points, so having strong competitiors in all events was necessary.

"These girls work just as hard as the boys during the season," said Head Coach Glen Kaskela of the girls' team. "We expect a lot out of these girls this season. This year all the other teams will be looking out for us!" commented Coach Ken Sutch.

The girls strived for improved times, lengths, and heights through the season.

The Pirates Sail Home After Many Victories

This year in sports has been a most rewarding one for the teams and for our school. For the first time since 1957, our football team went to C.I.F., and to the semi-finals. The basketball team, under new head Coach Jim Cockrill, had a very good season and made it to C.I.F.

This year's junior varsity basketball team was undefeated in league and won the championship. The wrestling team, under Coach Bob Witham, did a nice job this year with four wrestlers doing well in league finals and going to C.I.F. The boys' and girls' track teams were expecting a good season with the return of many of last year's varsity lettermen and letterettes. In golf, softball, and baseball, the coaches and teams planned to end the year in sports with outstanding accomplishments.

Strong and Committed

For the past two years Mr. Douglas Rozelle has been the principal of Paramount High. Since his first day in this position, Mr. Rozelle has worked very hard to improve our school. Results can be seen in the improved appearance of our campus, which looks cleaner and better kept up than before. He has always taken an interest in everything at this school and doesn't look at it as merely a daily routine. His efforts were reflected in the higher scores of seniors on the state achievement tests.

Last year Mr. Rozelle was afraid that the passage of Proposition 13 might cause severe cutbacks, but because of state funding, we didn't lose any of the teaching staff, and most of the activity and sports programs were unaffected.

Although he is very busy, he still finds time to associate with the students. We often see him and his colleagues mingling with us during snack and lunch. They are interested in the welfare of the entire student body.

Coming and going in all directions, we meet in clubs and organizations, which provide for our interests.

Our clubs are active, and their memberships are constantly increasing as more and more of us find that there is a place where we can let ourselves go with people who share our common interests. The A.S.B. offices provide opportunities for us to use our leadership abilities; Pirate League allows us to become involved in school; service was the main purpose of Corsaires; Wilderness Ecology put our students in the green, and Friends in Fellowship offered us a chance to study about our creator and give Him the praise He deserves.

New Breed and Mexican Cultural Club helped to better interracial relations; Future Medical Leaders and Vocational Child Care prepared us for future occupations; Lettermen's Club brought the athletes together; and Ski Club united our downhill racers.

Although our organizations had many different purposes, their goal together was to develop our individual interests in preparation for the directions we will go in the future.

Student Power

Promoting school spirit and student participation was of great concern to the A.S.B. officers this year. They also worked hard to provide activities for our student body. One of these events was a Christmas dance-the first one ever. A lot of work also went into the annual activities, such as the Homecoming Dance, Spirit Week, and the Sweethearts' Dance.

To arouse pride, the student council discussed a marble slate to be placed in the front of our school, bearing the name of the Paramount Pirates. The tiling of the rally-court stage and a mascot costume were proposed.

Voting turnouts were better this year, and the A.S.B. officers appreciated the interest in elections. They were also thankful for the support and encouragement of the students in improving school spirit and pride.

May We Help?

The A.S.B. Commissioners always had the interests of the students in mind. The commissioner of entertainment worked hard on many activities to gain participation; the commissioner of rallies thought of more exciting class competition games; the commissioners of athletics recognized deserving athletes with letters and certificates; the commissioners of buildings and grounds kept the clean campus program going strong; and the commissioners of public relations kept the community informed on school activities.

Service with a Smile

The usual definition of the word Corsaire is a female pirate; but to Corsaire members it took on a different meaning - service.

This year's annual activities included the sale of Champ tags and buttons, the serving of dinners, and the sponsoring of a donkey basketball game.

For this year, the Corsaires sold Christmas carnations that carried messages. Red ones meant "I love you," white expressed friendship, red and white expressed mixed emotions, and yellow meant "I secretly admire you."

Membership increased as Corsaires proved again to be an active and worthwhile club. It provided a good opportunity for service and fun for the girls of PHS, and will hold a special place in their lives.

Funds -a- Poppin'

Uniting both girl and boy athletes, the Lettermen's Club was very involved this year. They sold delicious hot popcorn at football and basketball games and at wrestling matches. Also for the first time popcorn was sold at baseball games.

The Lettermen also sponsored their annual Activities Night followed by a soc-hop. In addition, they went to Big Bear for a snow trip.

Lettermen's Club will continue to be known as the popcorn experts at PHS.

Tell a Gram

This year Pirate League was very active and had a large membership.

At Christmastime they sold Santa Grams, at Halloween they sold Ghost Grams, and for Valentine's Day they sold Pirate Grams.

Other activities included a trip to Welcome Back Kotter, the co-sponsoring of the Senior Tea, and the sponsoring of the Sadie Hawkins Dance, which was country-western this year.

As a result of all their hard work, Pirate League proved to be one of the most involved clubs on campus.

Sponsoring Miss Mexico Pageant

The biggest event of the year for Mexican Cultural Club was the pageant for Miss Mexico. Alma Aguago gained this title, and Angelica Nunez and Cenobia Villasenor were first and second princesses. Chosen as Miss Friendship was Fatima Ochoa. Certificates were presented to all participants, and flowers were given to last year's Miss Mexico, Marta Patricia Flores. A dance was held in the multipurpose room to celebrate this event, at which Miss Mexico and her court were honored.

Vocational Child Care class not only went to different schools to help out with the children; they also had fund raisers, such as selling stuffed animals to earn money for club patches. Also at Easter they sold Helen Grace Easter eggs. They gave the children at the Child Care Center gifts for Christmas. The students enjoyed working with the children and participating in other activities. This year the Vocational Child Care club had secret pals, and they found this to be an interesting activity.

We Are One in the Spirit

Friends in Fellowship met this year on Thursdays at lunch to increase their understanding of God's plan for their lives.

Different people, such as ministers and believers, spoke on how we could grow in our faith.

Activities included trips to Calvary Chapel for concerts and days spent at Maranatha Village.

As we come and go in all directions, we interact with people in our community. There we find places where we can purchase the things we need: food, clothing, car parts and insurance. We also require services such as medical and dental care, banking needs, and hair cuts.

In addition, our community supplies many conveniences such as beauty salons, fast food restaurants, and shopping centers.

Entertainment is also a big part of our lives; therefore our community supplies us with movie theatres, record stores and bike shops.

As we go our various ways, our community will help to make life a little easier through their services.

Makers of Motorcycle Oil Cooler
the Apple Warmer and
Electronic Cooling Equipment

Not only does the Apple Warmer keep a rider's Adams apple (neck) warm, it prevents his hair from tangling and keeps his eyes from tearing. The Apple Warmer filters out dust during off-road rides and provides adequate ventilation to prevent the faceshield from fogging. Great for snowmobiling too!

The purpose of the cooler is to reduce oil temperature 30 to 70. This keeps your oil cooler and heavier, reducing friction and thereby extening the life of your oil and dramatically increasing the lower-end life of your engine.

Paramount High School Student

Mr. Lloyd Heavin
September 5, 1931–October 28, 1978
Paramount School District Teacher

Mrs. Bernice (Dolly) Sehi
August 28, 1917 - February 3, 1979
Paramount High School Secretary

The Lord is my shepherd; I shall
not want:
He maketh me to lie down in green
pastures:
He leadeth me beside the still
waters.
Yea, though I walk through the
valley of death, I shall fear no
evil: for thou art with me . . .

Psalm 23

In expressing ourselves, we all branch out in different directions. Everyone of us has special ways of reflecting our individuality and creativity. We come here with different ideas, talents, and tastes. Working together, we find that our differences are meaningless: it's human expression that counts- making music, making paintings, writing and speaking, using our hands and creating forms and designs.

1. A beautiful sunrise is viewed from a vista atop Mr. Whitney.
2. Continuing an annual tradition, this Pirate was chosen as the Senior Sign for the Class of '79.
3. The mighty Pirate Football team charges onto the field in a game against Norwalk. The 1978 football season was the most successful ever for Paramount.
4. Skateboarding has risen in popularity this past year. This skateboard was shaped and finished by Danny Black.

Un Lindo Recuerdo

Recuerdo cuando paseábamos juntos por el parque en una tarde gris de diciembre. La lluvia comenzó a caer a medio atardecer.

Cubriéndonos con el paraguas, nos besamos sin palabras. Cuando me estabas besando, mi corazón, más rápido estaba palpitando, y al dejarme de besar, un profundo suspiro dejé escapar.

Tomados de la mano, entre las mś hermosas flores seguimos caminando. Dándome la flor más linda y perfumada, me confesaste lo mucho que me amabas.

Qué linda flor me obsequiaste en prueba de itu amor que en esa tarde me entregaste! Tierna flor que floreció cuando nuestro amor nació, flor llena de fragancia y de rocĭo, al igual que el amor tuyo y mĭo.

Lindo recuerdo de aquella inolvidable tarde de invierno.

Juana Ornelas

1. The Electric class works on their various projects during the first semester. Their knowledge of electricity broadens their horizons for the future.
2. Here are some projects designed by Advanced Metal students: Jerry Spear, Randy Dake, and Jerry Muchlhauser.
3. The Advanced Crafts students have all pitched in to help create this pyramid project; they all worked many hours painting it for display in the foyer.

The sun,
Rising high in the sky,
a new day is born.
–Judy Ward

Alegria

Palabra sin turbaciones, sinonimo de felicidad, posedora de armonia, como a la vez bienestar; dicha con siete letras unidas se puede expresar.

Varios habeis sentido un sentimiento do clareza, adaptacion y amistad, quizá sólo por un instante pero un instante muy real. Envuelto en expresivas palabras con deseo natural, de ese sentimiento, firme alegría podeïs sacar.

La alegría no se encuentra, al igual que una moneda, de súbito y sin espera, la alegría se labra, cobra vida y expresión, es esencia del vivir, parte de nuestros triunfos, objetivo de actividades y desvanecedora de actitudes decayentes.

Para labrar nuestra alegría, forgemonos un ideal, vivamos sin egoïsmos, ni muecas de hostilidad.

Your Likeness

When nature touched a
barren bush and
created the perfect rose,
it was as if
you were born again,
fragile and pure.

Maureen Henderson

1. Randy Dake, Steve Lane, Wilfedo Sevilla all have designed some really nice Advanced Metal projects.
2. These projects are by homemaking students Marilyn Henderson and Joyce Fahrnkoph.
3. Margaret Gaspora made this shoe from leather and wood. Margaret is an Advanced Wood student.
4. Joyce Fahrnkoph made this cute Santa during the yuletide season. At the Christmas Boutique, these items were sold to raise funds for homemaking scholarships.
5. Crafts I students Debra Stonesifer and Holly Russey busily work on their 3-D cities.

Once in a while someone comes along
Who is special from the start
Once in a while someone comes along
Who really warms the Heart
Once in a while a love comes along
To last a lifetime through
It really does happen, just once in a while
Because it happened to me and you

Love, an emotion,
What would we do without it?
No one stops to think.

Cindy Rose

1. Julie Lopez used her talents to make this vase in her Advanced Wood class.
2. Angela Rose and Elizabeth Alexander helped to make this Christmas mouse. This mouse was one of the items sold at the Christmas Boutique.
3. Jim Ellsworth displays some blueprints and the finished product in his Industrial Drawing class.
4. Crafts I student, Cecilia Medina, designed this banner as one of her projects during the year.

The Passing

Cold grey waves break on a silent beach
The misty quiet calms my soul
Let them roll
I will be here no more

Dusty white gulls circle my sight
Filling my heart like the sky
Let them fly
I will be here no more

The years are all but memories
They're here, then they go
Let them flow
We will be here no more

1. Russell Aalberg and David McCracken help each other in biology. With Mr. Paul Renfrow as the instructor, the class is very interesting and enjoyable.
2. Don Murashima hits a passing shot while playing against Bellflower. Don has been playing on the team for four years.
3. Mr. Raymond Smith supervises as Greg Grajek repairs his radio. Electric Shop helps students develop practical skills.
4. Elliot Collins and Peri Lindsey rush to finish their pizza during "Spirit Week." Although they came in third, they had a great time.
5. At snack, at lunch, and after school, students find a peaceful spot to relax.
6. Mike Conklin works hard to put the finishing touch on his project. Wood shop is a very useful and practical class for students.
7. During the game against Cathedral, Jericho Toilolo hands the ball to Chuck Beckwith for a scoring run. Jericho was named All South-Coast back of the year.

WE COME AND GO IN ALL

DIRECTIONS

The 1979 yearbook staff and I chose the theme "We Come and Go in All Directions" because the students at PHS come from various ethnic backgrounds and upbringings. Even though we are all unique, we can and do function well together. When we leave Paramount High, we will take the memories of the best four years of our lives with us through our journey through life.

Trying to immortalize this high school year, the yearbook staff and I set out to capture special moments for everyone to cherish and enjoy. As the year got under way, I found myself enjoying the challenge of being the editor of this book. Often I found myself wishing that we had more pictures, space, and time so that we could provide better coverage, but always the deadlines came and we had to put together what we had. There were moments of frustration, but the experience was a rewarding one.

I would like to express my greatest appreciation to our adviser, Mrs. Jennieve James, for her enduring effort and support. To Mr. Jim Gunn and Pace Studios, I would also like to express my sincere gratitude for their excellent work in photography and extra help on many occasions. I thank the staff members for their cooperation. I would also like to thank the faculty for their patience and understanding. Having the cooperation of such fine teachers is greatly appreciated. My special thanks goes to my associate editor, Susan Romberg; my business manager, Mike Mulrooney; and the people who stayed on work nights, for they have put in many long hard hours, given me support, and showed dedication in helping me create this book.

Now, as we go our separate ways to a new part of our lives, I hope that the twenty-sixth edition of the JOLLY ROGER will hold special memories for each and every one of you.
